What other golf clubs are reciprocal with the club?

We have reciprocal rights with clubs in every state of Australia, many of them in the top 100 Australian courses, as well as two clubs in New Zealand, one club in Spain and one club in China. [Click here to view our reciprocal clubs.](#)

I don't know any members of the club. Can I still join?

Yes.

What are the key differences between membership playing categories?

There are no key differences other than Full Playing have 7 day playing rights and are able to play at any time except during single (opposite) sex competitions.

9 hole playing rights applicable to all 9 hole competitions only OR social play where available. Additional fee will be applicable for 18 hole social rounds.

Can I put my Membership on hold for family, travel or medical reasons?

Should any of these circumstances arise, at a minimum of 6 months, the Club is able to offer a Non-Playing membership for a small annual fee **NON-PRO RATA**. This category allows play of up to 6 rounds of social golf during the financial year, safeguards your joining fee and gives you the right to return to your previous playing category any time in the future. Non-Playing members need to seek permission to play in competitions from the General Manager, Captain or President.

We trust that this information will help you to decide to join one of the Country's foremost golf clubs, Federal Golf Club, "The Friendly Club".
