Welcome to **FEDERAL GOLF CLUB**

The Federal Golf Club is one of Canberra's premier golf venues and presents one of Australia's best inland golfing experiences.

Formed in 1931, Federal Golf Club's original location now lies at the bottom of Lake Burley Griffin. In 1949, the course reopened at its current location on the western side of Red Hill just two kilometres from the Parliamentary Triangle.

The 18 hole championship course features pristine Santa Ana couch fairways and quality bent grass greens which are protected by well-placed bunkers. The course is set in beautiful bushland surrounds with grand views of the Brindabella Ranges making the Federal Golf Club a very special place.

The course has featured in the Golf Digest Top 100 Australian Courses and currently ranks 46th in Golf Australia's best public access courses.

The Club has a proud professional golfing history having played host to several tournaments including the 1982 NSW PGA Championship won by Frank Nobilo, the 1987 U-Bix Classic won by Peter Senior, while Greg Norman played an exhibition round in 1979. In more recent times, Federal hosted the 2014 Interstate Championships.

The course also features the annual Federal Amateur Open Championship, a world amateur golf ranking event that continues to attract the country's brightest amateur talents. In 2005, Jason Day finished runner up to Andrew Martin.

In 2008, Victor Dubuisson also finished runner up to Matt Jager. In 2016, the Federal Women's Amateur Championship was introduced and runs in conjunction with the men's tournament. An event for male and female juniors accompanies the main tournaments and attracts players of similar calibre, some them barely in their teens.

Members and non-members can view illustrated descriptions along with real time video fly overs of each hole when visiting the Club's website.

The golf course is complemented by a welcoming clubhouse with a comprehensive range of hospitality services. Federal is one of Canberra's best kept secret when considering wedding venue destinations with an events team to oversee all elements of corporate golf, private functions and business seminars.

When planning your social group's next golfing trip, a round at the Federal Golf Club in Canberra is a must.

A BRIEF HISTORY

Federal Golf Club was formed in 1931 in the grounds of the Acton Racecourse. A nine-hole layout consisted of sand greens, with the majority of the holes located in the centre of the track.

The golfers were not alone as they also shared the land with several sports fields and with many grazing sheep owned by neighbouring Kaye's Dairy Farm.

To keep the sheep from straying on to the putting surfaces, each green was surrounded by a low fence which the players would have to chip over and then step over to putt out.

It may not have been a perfect arrangement, but in some ways it was idyllic. As for the Members it was finally the realisation of a dream to have a club they could call home.

Initially, the club had a small weatherboard building inside the race track. Later on, a larger building was erected on the slopes of Butter's Hill, still inside the racecourse boundary.

The club flourished, but became a victim of its own success. Such was the demand for golf it became clear that an alternative site would at some stage be required. An unexpected decision in 1946 to grade

and re-design the Acton racetrack left the club without a course and the search for a new home was more pressing still!

Numerous alternatives were explored, with the State government suggesting three possible sites. The one at Red Hill – our current home – was chosen because of its potential and because it offered security of tenure that the other two sites did not.

A hardy band of 14 Members led by the president, Mr O. J. Ratford, supported by local MP Mr A.D. Fraser and with the assistance of the Department of the Interior, set to work to build a golf course, virtually with their bare hands, out of the beautiful but virgin site. Prosper Ellis, a golf administrator and A grade player was commissioned to design the course.

Ellis would go on to work on many more courses including those at Belmont Golf Club, Windsor Golf Club, Woollahra Golf Club and Camden Valley Golf Resort, as well as remodelling numerous layouts.

The only greens you should worry about

Downsize your home to free more time for golf

Our homes, nestled in well-established gardens and tree lined streets, exude warmth and charm and little to no building maintenance. It's a practical downsizing alternative where you will gain all the delightful benefits of village life, the opportunity to revel in the gardens without the burden of maintaining them, find new friends whilst still enjoying your life outside the village such as golf. And, when you chose to play golf outside Canberra you can just lock up and leave.

We have two locations near Federal Golf Club, The Grange in Deakin and Bellerive Village in Lyons. Both offer low maintenance homes close to supermarkets, pharmacies, medical facilities, post offices, transport, coffee shops and restaurants.

The Members though, deserve much of the credit, because without their blood, sweat and tears the club would never have taken shape.

Working on weekends and public holidays, their efforts were rewarded two and a half years later. On March 26, 1949, the club opened a nine-hole sand course with local MP Mr Fraser unfurling the flag at the log cabin clubhouse.

The club pressed on to complete the second nine holes by 1951. In September, 1953 the first section of the new clubhouse was opened by Mr Gordon Freeth, the Minister for the Interior.

Still pursuing the dream of the original band of 14, whose ranks were by now thinning, club Members, by means of a tremendous voluntary effort at weekends, and assisted by Mr Les Robinson of the Parks and Gardens Section and Mr Alan Hunt, the club's greenkeeper,

were able to construct and open in September 1955, the 18 grass green holes which now make up the championship course.

When difficulty was found in obtaining suitable tenders for extensions to the clubhouse three years later, the club decided to undertake the work itself. This spirit and the "can do" attitude has endured over the years, with each generation leaving its own mark on improvements such as course irrigation and improved off-course facilities that are so richly enjoyed today.

While the current layout has blossomed into a championship course of which everyone associated with Federal Golf Club should rightly be proud, our original home has sunk without trace. It now lies several metres beneath the waters of Lake Burley Griffin!

THE COURSE

Federal Golf Club has a magnificent 18-hole championship golf course which challenges players of all skill levels.

While Federal has played host to many premier events, the everyday golfer will find the experience equally rewarding and enjoyable.

The course measures 6,332 metres off the blue tees, playing to a par of 72 with two par-3s and two par-5s on each of the outward and back nines.

A more forgiving 6,034-metre layout is available from the white tees, while the women benefit from an extra shot on the difficult par-4 9th, playing a par-73 course measuring 5,462 metres.

Federal is not only highly regarded among its own Members and guests, but by other discerning judges. In 2018, Federal was ranked 88 and one of only two Canberra golf courses ranked in the Golf Digest Top 100 Australian Courses.

Senior writer Rohan Clarke said, "Judges have always enjoyed the attractive bushland setting at Federal, as well as the views of the Brindabella Ranges. The golf itself is also good, with the back nine boasting a number of memorable holes."

Members are also in no doubt of the quality of the course, the surrounding environment and the special experiences they are able to enjoy.

Long-time Member of Federal John O'Brien says, "For me the best thing about Federal is that it's a course I can play every week without getting bored with the layout. The undulating nature of the course also provides a good walk for exercise and the setting of the course, a bush retreat in the middle of a city is another great advantage."

Catherine Ellerton also says, "Whilst I suspect I will never really master this game called golf, walking around the course is always a pleasure."

The course is set in a beautiful part of Canberra and is maintained to a high standard. The vista from the club house out over the course is magic."

And Don Furner goes on to say, "I enjoy golf in a relaxed environment, on a championship course and coming back into the Club for a social drink. It is in a great location and is a hidden gem in terms of what it offers. The Club has one of the best views of any venue in Canberra and you can forget you are in the Capital City."

Our protected flora and fauna are among Federal's most important assets and the club prides itself on managing its surroundings in an environmentally-sensitive manner.

One of our key aims is to preserve and enhance our native bushland setting at the foot of the Red Hill Nature Reserve.

Whether you're a golfing connoisseur who has travelled the world or a player who lives for their weekly golfing fix, the feeling is the same: this is a pretty special place.

The expansive and pristine fairways undulate through stands of majestic eucalypts, populated with native birds and kangaroos.

The wildlife is one of the features of Federal, and you can often be sharing the fairways with Skippy and

his mates as the colony of 400 or so Eastern Grey kangaroos are free to migrate between the course and the adjoining nature reserve. They do little damage to the golf course but add a charm and character that is essentially Federal.

The wildlife is wonderful and the scenery is unforgettable too, with magnificent views to the Brindabella ranges in the distance. The 4th is just one of 18 great holes, but card birdie or bogey here and it hardly seems to matter once players savour the view looking back from the green.

TOUR THE COURSE

Federal has a wonderful layout with many interesting holes. It's a lovely balance of challenging long and short holes, doglegs and rolling hills. If you love your golf, you'll love Federal.

When visiting Federal's website, you can experience real time, video fly overs of each hole. Here, we provide a written account of each hole when playing from the Blue Tees.

HOLE 1, 510 METRES, PAR 5

A gentle opening hole, slightly downhill from the tee with a bunker on the left of the fairway. Keep your drive to the right side of the fairway or you will find the bunker. Long hitters may clear the bunker but watch

out for the pond on the left-hand side which will punish an errant long drive or wayward second shot. From the bunker the fairway dips further before an incline to the green with bunkers on both sides.

HOLE 2, 371 METRES, PAR 4

A dogleg to the right hole, with a blind tee shot. The green is protected by two shallow bunkers on the right, and a deeper bunker on the front left of the green. To the rear and left there is a steep embankment running down from the green.

AWARD-WINNING ARCHITECTURE
STUDIO LOCATED IN MANUKA CBR

HOLE 3, 178 METRES, PAR 3

A challenging hole from an elevated tee to a green protected by bunkers on both sides. Your tee shot must carry onto the green or you will have a tough up and down.

HOLE 4, 342 METRES, PAR 4

A slight dogleg left with a deep bunker on the left of the fairway. From the fairway bunker, there is a steep incline to an elevated green with two bunkers to the right and a grass pot bunker front left.

HOLE 5, 322 METRES, PAR 4

A short but tricky hole. The fairway slopes gently right to left and accuracy is at a premium. Shallow bunkers on the right and a deeper bunker on the lower left of the green provide a narrow entrance and penalise the wayward second shot. A difficult green to read that is fast downhill with a steep slope off the rear and the left side of the green.

HOLE 6, 412 METRES, PAR 4

A wide, straight fairway slopes gently from left to right. Bunkers protect both sides of the opening to the green with the front left bunker not visible until players are close to the green.

HOLE 7, 470 METRES, PAR 5

A dogleg left with a large bunker on the left-hand side at the bend. Long hitters will need a very good drive here if you wish to carry the bunker. The pond on the right-hand side is in play for any wayward second shot. There is a narrow entrance to a tiered green protected by two bunkers on the right and one bunker front left of the green. The mounds left of the green provide additional problems for the wayward shot.

HOLE 8, 159 METRES, PAR 3

Hit over the pond to a heavily-bunkered green which will punish anything short. The entrance is narrow, and the green is deceptively long. Getting up and down from the left bunker can be challenging.

HOLE 9, 381 METRES, PAR 4

A tough par 4 by any measure. From the blue tees the hole doglegs to the left around a large eucalypt dominating the left side of the fairway. The fairway slopes from right to left, levelling out on the approach to a tiered, sloping green with bunkers set to the left. Two well-placed shots are required to get there in regulation.

HOLE 10, 410 METRES, PAR 4

Enjoy the view and settle down after the tension of the front nine. A long, straight downhill fairway slopes from left to right and demands placement off the tee. Bunkers protect both sides of the entrance to the green. The bank at the rear of the green slopes away steeply. Straight hitters are rewarded on this hole.

HOLE 11, 342 METRES, PAR 4

A charming dogleg left, uphill from the bend midway along the fairway to an elevated green. A deep bunker protects the front right of the green.

HOLE 12, 201 METRES, PAR 3

A testing hole for any level of golfer. It requires a solid tee shot from an elevated tee across a gully to an elevated green protected by a deep bunker to the front right and grass swales to the left and rear of the green. Beware, putts from above the hole will test your lagging skills.

Located next to Calvary John James Hospital at the Canberra Specialist Centre, Suite B4, 161 Strickland Crescent, Deakin

HOLE 13, 467 METRES, PAR 5

A par 5 with a slight dogleg right. Drive across a valley to the bend from where a slight downslope becomes a gentle incline to the green. Bunkers on both sides of the fairway protect the approach to the green and a deeper bunker guards the front right of this green. Watch for the false front on the green.

HOLE 14, 392 METRES, PAR 4

A challenging dogleg left requiring two well-hit shots to get on in regulation. The drive is from an elevated tee downhill to the bend. A shallow bunker on the right of the fairway and the large bunkers to the front left and front right of the green protect this hole. Beware the false front on the green, anything short will spin back off the green. You'll be pleased to walk off here with par.

HOLE 15, 354 METRES, PAR 4

All but the very best golfers will require something less than driver to position your tee shot. A dogleg right requiring a well-placed tee shot for a clear approach to the green. Drive from an elevated tee to the bend where there is a shallow bunker on the right. A steep incline to an elevated, tiered green protected by bunkers front right and left requires judgment. There is another bunker to the left rear of the green. This is an attractive hole with plenty of bite.

HOLE 16, 149 METRES, PAR 3

This short hole is slightly downhill from the tee to a heavily bunkered green. Missing the green will leave a tough up and down. To the rear a steep bank falls away from the green. This is definitely a sleeper that can ruin a great card.

HOLE 17, 508 METRES, PAR 5

There are lovely views from this hole too. Drive uphill to a crest, past a fairway bunker on the right, and from there the fairway turns slightly to the right, leaving a gentle downhill run to the green. The four greenside bunkers are there for a reason, so take care. There is a gentle left-to-right bias on the fairway. Play it smart and you'll be rewarded.

HOLE 18, 408 METRES, PAR 4

This is the index 1 hole and the toughest par 4 in the district for golfers at any level. It's uphill all the way to the green. Save your best drive for this last tee shot. A strong, well-placed drive left of centre will leave you with a demanding shot to an elevated, sloping green guarded by two deep bunkers with sharp teeth. The steeply banked entrance to the green provides added protection for this very challenging hole.

BECOMING A MEMBER

Membership offers the regular opportunity to play one of the best courses in the Capital Region. The 18 hole championship course features pristine Santa Ana couch fairways and quality bent grass greens which are protected by well-placed bunkers. The course is set in beautiful bushland surrounds with grand views of the Brindabella Ranges.

Membership benefits are enhanced by the rich history, welcoming and inclusive environment and the very real sense of belonging that helps to make Federal the special place that it is.

Current Members are proud to say they are from Federal. Members will tell you it's a course that never becomes uninteresting - no matter how many times you play it. It's a Club where you can play in a regular group or be made to feel welcome when putting your name down to make up a four. Federal is a place where friendships are formed and companionship is an everyday element of the Membership fabric.

When comparing the quality of golf courses in Canberra, Federal offers excellent value for your Membership investment. Along with the regular opportunity to play one of the best courses in the Capital Region, Members at Federal enjoy a full golfing calendar. A wide selection of weekly competitions, annual events, interclub activity and opportunity for social interaction is also all on offer.

Membership category options are varied and crafted to suit those who are newly retired, people looking for a change in sport or leisure activity, women, juniors and young adults.

Several new age based categories have been created to ensure young adults can continue to play and enjoy their golf while maintaining their hectic social and working schedules – Young Adults (18-25 years of age) and Bridging (26-35). There is also a nine hole category for those people who are time poor or only desire to play nine holes at a time.

Before making a financial commitment we welcome you to visit Federal and experience the quality of the golf course for yourself.

For Membership enquiries, contact Hayley Ordish, manager of Membership administration on 02 6281 1888 or via e-mail admin@fgc.com.au

Orana Steiner School is an independent, co-educational, non-denominational school set in 13 hectares of unique, natural landscape in Weston in the ACT. Founded in 1981, Orana has developed in size and reputation, with over 640 students enrolled from Pre-school to Year 12.

Our purpose-built facilities support a broad curriculum, carefully designed to balance a Steiner approach with contemporary requirements of Science, Drama, Art, Music, Design and Technology, Maths, English and Politics.

With consistently high ATAR scores and strong academic achievement, our highest endeavour is to nurture and inspire students to achieve the best of their ability, to work creatively, and be aware of themselves as individuals who can contribute positively to global social change.

TWILIGHT GOLF

Is there a better way to end the day than a twilight round of golf at the Federal Golf Club?

Federal is a special place at any time of day, but is made even better in the twilight hours of a tranquil Canberra evening. As the sun starts to dip behind the Brindabella Ranges and the shadows lengthen, it's simply a picture-perfect scene.

To many players, savouring the beauty of their natural surroundings at this time of day with golf club in hand is just about as good as it gets. At Federal Golf Club, though, it gets even better.

You can play as many holes as you can from 4.00pm during Daylight Saving for just \$30.00 (subject to availability).

Play after work with friends and colleagues and leave behind the stresses of the day. Then savour the perfect end to your evening by unwinding in the clubhouse with a refreshing post-round beverage.

If you've never played twilight golf before you're in for a real treat. Phone the Pro Shop for availability on (02) 6281 1888.

It's not just about this financial year...

PROSTYLE
building better lifestyles... creating new standards

Federal is widely known as being a friendly Club and this is your invitation to drop past and see why.

Whether visiting to play golf, dine at the restaurant or attend a corporate event, you're welcome to enjoy the surrounds of Federal's Clubhouse.

Federal's staff enjoy meeting new people and are ready to help as soon as you arrive.

Seasonal menus include salads and lighter meals in the warmer months, with hearty soups and winter treats like bangers and mash available to enjoy through the cold of June, July and August.

Try one of the largest looking gourmet bacon and egg rolls that will set you up for a full day's play before you hit off.

Federal's wine list offers a variety of labels that are judged as great value

with a thirst quenching range of draught, boutique and bottled beer also ready to be enjoyed.

Our restaurant overlooks the 18th green with access to an outdoor balcony area. We are open for lunch Tuesday through Saturday 11am-2pm, Wednesday evenings from 5pm for schnitzel night and also host several themed evenings throughout the year.

The club has a relaxed, friendly and welcoming feel and there is always something going on socially, whether organised by the club or of a more casual nature.

Bookings are recommended for groups larger than six and can be made by calling (02) 6281 1888.

WEDDINGS

The Federal Golf Club is Canberra's best kept secret when considering wedding venue destinations.

The club's unique location is central to Canberra but a world away from anywhere. You and your guests will be treated to sweeping views over the bushland setting of the golf course and onto the Brindabellas.

The Federal Golf Club also offers itself as the perfect photographic location for you and your bridal party. Featuring tranquil ponds, a rustic style footbridge, stunning mountain vistas and leafy garden surrounds. There are endless opportunities to record cherished images for you to look back on with the fondest of memories.

From the outset, experienced team members will assist you through the planning process offering flexible options, holistic solutions and variety of individual preferences. Everything is designed to ensure you realise the perfect wedding that you've been planning in your mind for the years leading up to your special day.

FUNCTIONS & SPECIAL OCCASIONS

We would like to welcome your organisation to the Federal Golf Club for your next great business or corporate event.

If you're planning a business seminar or corporate event we have a number of venue options that can be tailored to your requirements. The Club is located 2 minutes from Parliament House, 10 minutes from the CBD and is close to a number of national and international hotel facilities including the Hotel Realm. There are also a large number of free parking spaces.

Along with 2 function rooms seating up to 160 constituents or guests in various configurations, we also offer a boardroom suited to 15 people. The Club has AV and sound technology, WI FI access along with LCD screens and projectors. The function

rooms overlook the golf course and have ample natural light with floor to ceiling windows.

The Club has a solid reputation as a corporate and business seminar venue and has hosted multiple Ministerial Defence events, Institute of Public Administration Australia ACT events and product launches.

Catering options are flexible which also makes the Federal Golf Club the perfect location for your end of year function or Christmas gathering.

I would like to thank the team at Federal Golf Club for looking after us so well at the Mercedes-Benz Trophy Golf Day. Numerous Mercedes Benz Canberra clients observed this event as one of the most well organised Golf Days they had ever attended. Please send our gratitude to all who were involved in making the day as successful as it was and we look forward to doing it again next year.

Federal Golf Club is my first choice for holding a corporate golf day. For my first event, the Assistant General Manager shared his expertise, which enabled me to cover every aspect of the event with confidence. All participants were very complimentary of the venue and professionalism of the staff.

Nothing was too hard, the Pro Shop staff were brilliant and friendly. The kitchen and bar staff were also fabulous and everyone enjoyed the food and we were well catered for. The current and two previous Australian Statisticians attended this event and were extremely impressed.

Callaghans Accountants would like to say a huge thank you to Federal Golf Club for the way you conducted our annual Michael Williams Memorial Golf Day. The service we received from the Assistant General Manager and his staff was outstanding and made for another very successful day. The day ran like clockwork and all participants enjoyed it immensely. The course was presented in magnificent condition and was a joy to play on.

Coming from a hospitality background I was extremely impressed with the high standard of personal service from the management and staff at The Federal Golf Club. Federal Golf Club provided a premium golfing experience for our guests to enjoy during The Dock Charity Golf Day. We had great feedback and the event was a huge success. We are privileged to be in partnership with Federal Golf Club and look forward to future events.
